## REGULATIONS FOR PATIENTS.

---

### IN-PATIENTS

are received on the recommendation of a Subscriber and the approval of one of the Medical Officers. All accident cases are admitted free at any time, day or night, without a recommendation, and will be retained in the Hospital for treatment if found necessary.

### OUT-PATIENTS

are admitted on the recommendation of Subscribers, and must bring a Ticket properly filled in and signed, and a pint bottle for medicine.

No Chronic or Infectious Cases will be admitted, either as In or Out-Patients.

As the Hospital is intended for the benefit of the truly deserving, the Board of Governors wish to urge on all Subscribers the necessity of carefully inquiring into all cases before giving a note of recommendation, as the only persons entitled to be treated are those who cannot afford to pay for medical advice.

While strictly adhering to the original purpose of the Hospital in supplying the needs of the poor, the Board feels that there may arise cases in which a person may need the benefits of a Hospital, and at the same time be able and willing to pay the whole or part of the cost which it may incur. The Governors will, therefore, be prepared to consider on its merits any such case as in future may come before them.

### VISITORS' DAYS.

Friends of Patients, on Thursday and Sunday afternoons from 2.30 p.m. to 4 p.m.

Clergy and other visitors admitted between 3 and 4 p.m. any afternoon.

## The 39th Annual Report for the Year ending 31st December, 1927.

---

### SECRETARY'S REPORT.

————— :: —————

The Board of Governors have much pleasure in submitting the 39th Annual Report of the Income and Expenditure for the year ending 31st December, 1927, and at the same time to gratefully thank the many subscribers who by their generous contributions have enabled them to carry out the necessary and useful work of the Hospital.

In the Income Account it will be observed that there has been a large increase, the amount being £1,631 against £1,375 in 1926. This is very satisfactory, considering the poor fishing and letting season.

The total income for 1927 was £1,631 3s. 4d., the details being as follows:—Annual Subscriptions, £280 16s. 10d.; Monthly, £102 14s. 4d.; Employees' Contributory Fund, £244 16s. 11d.; Fish Merchants and Crews, £62 17s. 6d.; Village Contributory Fund, £38 18s. 2d.; Donations and Entertainments, £525 11s. 8d.; Paying Patients, £285 17s. 0d.; Boxes, £29 16s. 2d.; Interest, £10; Profit on sale of Bonds and Certificates, £49 14s. 9d.

Among the Donations the Board wish to thank Mr. A. V. George and Mr. H. Colebrook for the magnificent result of £90 from the "George" Cup Charity Football Match. The Sailors Home again allotted our Hospital the useful sum of £40 per Mr. H. J. Bracey. Alexandra Day realized £74 11s. 3d., and our thanks must be accorded to the Ladies' Committee

and their helpers who worked so hard to achieve such a good result. Mr. E. Chasey again generously held his annual Auction for the Hospital, which brought in the sum of £51, for which we wish to thank him and all those who sent goods to be put up for sale. The Penny Trail amounted to £37 1s. 6d. and the River Boat Collection £35 8s. 11d. These were made possible by the unselfish help given by the ladies who took part in them and to Mr. Platford who granted passes on the River Boats. The Gorleston Fish Trade Whist Drive was a success, and £30 18s 3d., thanks to Mr. G. Guyton and Mr. Slater, was handed to the Hospital. The Ladies Committee's Whist Drive yielded £22 1s. 0d. The Tennis Tournament and Dance organized by Mr. H. Bishop £17 18s. 0d. The Gorleston Sea Angling Charity Match resulted in the sum of £23. A Raffle for a Doll netted £13, and a Matinee at the Coliseum given by Mr. R. Booth amounted to £9 11s. 0d. The Great Yarmouth Amateur Opera Company added £15 to our funds, and Civic Sunday at the Parish Church brought in £11 16s. 6d. Two Cricket Matches organized by Dr. Porter amounted to £6 12s. 1d.

In the early part of the year Mr. E. Spalding and Mr. S. Bullard collected funds and installed a four-valve Wireless Set with headphones to each bed in the wards and a loud speaker. This has been very much appreciated by the patients, and the Governors wish to thank the above gentlemen for the large amount of work they have given and for the upkeep during the year.

The Governors especially wish to thank the Fish Merchants and Crews for the sum of £62 17s. 6d. subscribed by the boats fishing out of Gorleston.

Many gifts in kind were received at the Hospital, for which the Governors wish to thank the donors. The report of the Ladies' Committee appended will give details of Pound Day, etc.

The total expenditure for 1927 was £1,613 15s. 7d., a small decrease on 1926. Having brought forward a large deficit of £370 17s. 11d. from 1926, the Governors reluctantly decided to realise the War Bonds and Certificates, which made a profit.

To the Medical Staff, Surgeon Dentist and Hon. Officers of the Hospital, the Board wish to tender their grateful thanks for the gratuitous and constant care and attention they have bestowed on the patients.

The efficient work of the Matron and the Nursing Staff is appreciated by the Governors.

The number of cases treated are as follows:—Indoor, 188; Outdoor, 514. There were 148 Operations, 192 Accidents, and 85 Dental Cases.

## **REPORT OF THE LADIES' COMMITTEE.**

---

The Whist Drive held in February at the Cliff Hotel realised £22 1s. 0d.

Grateful thanks are accorded to Col. W. A. Jones and the Directors for kindly lending the room and providing refreshments, and to all who gave the many valuable prizes.

The Committee wish to thank Mrs. Thomas Cook for organising a Jumble Sale in November, 1926. With the proceeds, £18, she bought for the Hospital 5 pairs of blankets, 12 pairs of sheets, 12 draw sheets and 5 damask table cloths from Messrs. Arnolds, who not only allowed a liberal discount, but made up and marked the sheets and table cloths free of charge. For this the Committee desire to thank them. This item was omitted from last year's report.

They wish to thank all those ladies who again kindly helped them to make Alexandra Day so successful. £74 was raised for the Hospital funds.

The Ladies' Work Guild has provided during the year, 182 garments, and articles of house linen, and £4 (being subscriptions in lieu of work). £1 2s. 6d. was received as special donations for pillow cases, and £2 from Mrs. Cook's Jumble Sale. This money was handed to Miss Morgan, and she and the staff and pupils of Stradbroke Girls' School were able to buy materials to make 12 theatre towels, 24 small cloths, 48 pillow cases and 2 pairs of operation stockings. They also sent as a gift 30 linen tray cloths. The Committee wish to thank everyone who kindly contributed to the Guild, and congratulate them on the largest amount ever received.

Each month one member of the Committee visits in the wards, and on two afternoons does the mending of the house linen, assisted by two lady helpers. The Committee wish to thank these 24 ladies, who are doing the Hospital a great service.

Pound Day resulted in a grand total of 1,308 pounds, consisting of groceries, vegetables, fruit, firewood, fish, meat, chicken, sausages, and £3 17s. 5d. in cash. Of this, the staff and pupils of Stradbroke Girls' School provided 867 pounds of groceries, 4 blankets, 1 bed jacket, and £1. The last three items were provided from their collection of farthings and sale of silver paper. A splendid effort.

The Committee regret to report the resignation of their President, Mrs. J. Sleeman Reed, after 30 years devoted and useful work in connection with the Hospital, and wish to place on record their great appreciation of her services.

EVA COOK,

*Hon. Sec. Ladies' Committee.*
